We build exclusively Successful Restaurants!

To Whom It May Concern:

Attached is brief list of many Restaurants, and/or Generally Speaking food Facilities, that we have completed in the last 10 Years or so.

We are completely committed at this time into the build out of food facilities only, while we are seeking to cater to the High Gourmet clientele, we also look that new trends that especially the City of Los Angeles finds itself into , in order to provide the best service we can in compliance to that.

It is our full time commitment, not just a commitment.

Please do do hesitate to contact us any time for any question that you might have, we provide all services surrounding the Restaurant Owners needs, form finding a new location for them , to file a Liquor License, Architectural, Engineering & Kitchen Consultant are the daily Duty of ours as needed.

Thank you, Davide SF Pais
President & C.E.O.
